SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the National Compensation Survey (NCS). Under the NCS, the BLS conducts ongoing surveys of compensation and job characteristics. Data collected by the NCS are used to produce Employment Cost Trends, including the Employment Cost Index and Employer Costs for Employee Compensation, employee benefits data, and data used by the President's Pay Agent. This information collection has been classified as a revision, because the BLS is implementing a sample design change. The BLS is also removing subsidized commuting and stock options from the "Other Benefits" collection and adding student loan repayments and flexible work schedules to it. The Ethics Reform Act of 1989, the Federal Employees Pay Comparability Act of 1990, and the BLS Authorizing Statute authorize this information collection. *See* 2 U.S.C. 4501; 5 U.S.C. 5304(d)(1)(A), 5 U.S.C. 5318(a); and 29 U.S.C. 2b.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to

respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1220-0164. The current approval is scheduled to expire on April 30, 2018; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on November 21, 2017 (82 FR 55399).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the *Federal Register*. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1220-0164. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
